

GSSC Volunteer Hours

GSSC is a not-for-profit, member-supported sports club. The Club is not able to exist without the contribution of volunteer hours from participants' families. Parents are expected to contribute the majority of the required volunteer hours. Parent involvement will enhance the parent's understanding of the Club and the sport and will improve all swimmers' experiences through a well-run club.

As part of your synchro fees each swimmer's family must volunteer a number of hours per season to help out with Club initiatives. For each hour you volunteer you will be credited \$15.00. There are a number of ways in which you can meet your volunteer requirement; be a member of the executive, volunteer at swim meets, organize fundraisers (bottle drives, etc). Periodically emails will be sent to all club parents with volunteer opportunities.

Please provide a cheque payable to GSSC and post-dated May 27, 2016 in the amount of: Number of Swim hours/week x 3 x \$15.

Novice Competitive (pre-competitive) teams: **\$157.50** (3.50hoursx3X\$15)

Competitive teams: **\$450.00** (10hoursx3x\$15)

After each time you volunteer please make sure that hours are recorded with the lead organizer for the event/initiative as it is their responsibility to notify the Club's Treasurer of all volunteer hours. The Treasurer will keep track of your hours. When your volunteer commitment is met, your cheque will be returned. If you do not meet the full volunteer requirement a partial refund will be arranged.
