Welcome to the Guelph Synchronized Swim Club!

Our Recreational Program is fun and a great way to develop swimming skills. Many of Guelph's competitive synchronized swimmers started out in this program and discovered their passion for the sport.

Participants in this program learn the basics of synchronized swimming, including the eggbeater, sculling, basic figures and body positions in a fun-filled environment. Swimmers will be introduced to team concept and team spirit, while learning life-long skills of commitment, discipline, pride, respect, self-esteem and positive body image. In addition, our program is consistent with Synchro Ontario's age-based programming, Canada's Long Term Athlete Development / Sport for Life Initiative to promote healthy activity at all ages. It is designed to enhance the development of flexibility, endurance and strength in the execution of skills.

Our Recreational Programs are for swimmers with no synchronized swimming experience as well as returning recreational swimmers. GSSC is also introducing a new Synchro Ninjas! program specifically designed for boys. This program will focus on strength and endurance training in the water while learning basic synchronized swimming skills.

The Recreational Program will run September to May. **Register today!** Swimmers will learn a short routine to present at the 3 Club Water Shows throughout the year. New this year - swimmers will have an option to participate in a recreational competition in February (more information on this will be provided to families at the beginning of the season).

All recreational swimmers are required to have:

- a one piece bathing suit
- goggles
- swim cap **(1 -included with registration)**
